

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 1122 - SB 1145**

March 17, 2015

**SUMMARY OF BILL:** Authorizes a judge to require, as a condition of a juvenile's release, that the child carry or wear a global positioning monitoring system device.

Requires the child or the child's parents to pay for the monitoring, unless they are unable to pay. If the child or the child's parents are unable to pay, the portion of the costs that the parents are unable to pay shall come from the interlock assistance fund.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The bill requires the child or the child's parents to pay for the monitoring. If they are unable to pay, then interlock assistance funds may be used. Any impact on the State will be increased expenditures from the interlock assistance fund.
- Tennessee Code Annotated § 55-10-419 establishes the interlock assistance fund. Tennessee Code Annotated § 55-10-419(a)(1) provides that "all money in such fund shall be used to pay for the costs associated with the lease, purchase, installation, removal and maintenance of such device."
- The bill does not amend this language. Therefore, there will be no impact to the interlock assistance fund. The impact to the state is not significant.
